Work Experience

University Project - Work with an Artist
Feb 2022 to June 2022

- As a part of our second semester we were given the task to create a website for an upcoming artist. We had many meeting and based on that we created a website for him.

University Project - Work with a Company (LiveWall)
Sep 2022 to Feb 2023

- *We were tasked by Livewall to create a Website based on 3 topics, and we choose digital substitution.*
